We Invite You

Again we extend a cordial invitation to every Polled Shorthorn enthusiast to attend our sale at Lincoln, Nebraska on Friday, February 23, 1945. We have endeavored to assemble a group of animals that we feel are superior to any offering we have ever made. How well we have succeeded, we leave for you to determine sale day.

Those who are familiar with the development of the Polled Shorthorn breed are fully aware that Hultine and Blomstrom bred bulls and females have successfully been included in the foundations of the strongest herds of America.

That these sixty animals will provide an opportunity for still further improvement of the breed is our sincere belief, and that they will prove profitable to those who buy them is our greatest desire.

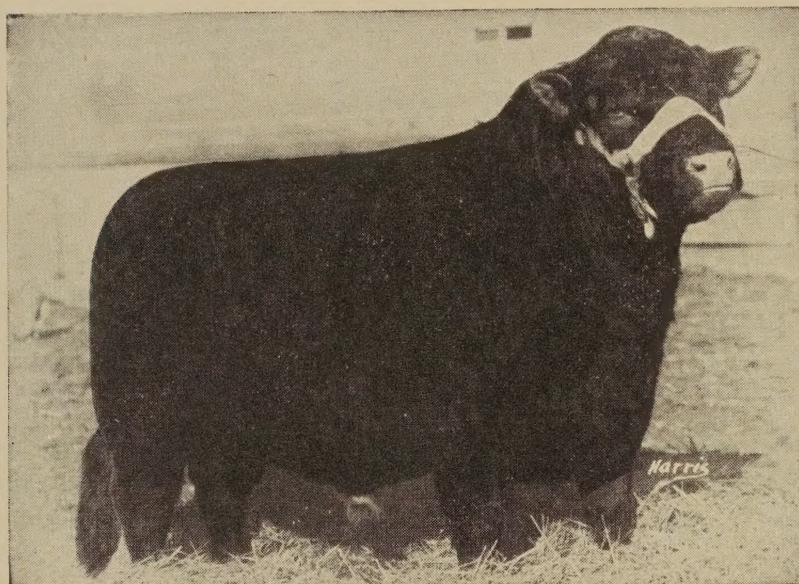

All selling in fine, thrifty, growing condition and properly handled and fed to insure their future usefulness, we believe we can frankly say they represent our finest production to date. As great believers in calfhood vaccination as a preventive measure for Bang's disease control, we have successfully followed this practice for several years. Accordingly, all the females selling have been vaccinated in this respect and can safely be added to any herd in America with definite assurance of their 100% working condition as regular producers and soundness of health.

A hearty welcome awaits you at Lincoln, Nebraska on February 23 and we would like to have you as our guests.

A Hultine Production

COLLYNIE COMPACT x2069895

Collynie Compact is without doubt America's greatest Polled Shorthorn bull today. Fortunately he was in service for some time in the Hultine herd prior to his sale in February, 1944 to Mr. H. L. Straus, Reisterstown, Maryland for \$4000.00. Many of his daughters will be kept in the herd and a special feature in this auction are 4 sons and 1 daughter, one of these Collynie Tourist that sells as lot No. 1 is probably the best bull ever put through an auction ring by Albert Hultine and Sons.

Later half interest was retained by the Hultines. Seven choice heifers sell with the valuable service of Collynie Climax in this sale.

Sell . . .

Collynie Fascinator by King Collynie Jr. left a great breeding record at Grey Gables before he was sold in 1944 to Kenner Farms, Hebron, Nebraska. He has been a 100% dehorner and consistent sire of modern type, uniform dark colored calves that have been consistent winners at major shows. His first son Fascinator was top selling bull in the 1940 International Sale when he sold to Lynnwood Farm, Carmel, Indiana. Four sons and 7 daughters sell in this sale.

GREY GABLES FARMS

The present Grey Gables herd was started in 1899. By 1911 the herd already deep in polled blood was given a decided boost with the addition of several females all close up to White Hall Sultan. Among these was the Scotch cow Countess Dutchess who produced Royal Count. He in turn sired Royal Count Jr. and Village Count who carried on so successfully in the Teegardin and Thieman herds.

In 1920 five imported cows were added, from these came the James Durnobred Snowdrift who became the grandam of the twice International Grand champion Lord Collynie. This potent sire has left his mark of superior type and quality well stamped on his offspring, generation after generation it has carried on, truly the mark of a great bull.

The present herd at Grey Gables and which is well represented by the 30 head we are selling in this auction, is being further improved with this proven breeding and as a further step toward the production of superior Polled Shorthorns, choice females heavily instilled with this potent blood are being mated to the Shorthorn bull Prince Rolox, an outstanding son of the Supreme Perth champion, Imp. Calrossie Prince Peter. In order that our patrons can share in this program of improved breeding we are offering several choice females with this mating.

Prince Rolox a two year old son of the Merryvale Farms Perth Champion, Imp. Calrossie Prince Peter. He is a thick, rugged impressive bull that we are mating to daughters of Collynie Compact and Collynie Fascinator. The undefeated get-of-sire at all of America's leading shows in 1944 were sired by a half brother to Prince Rolox. Through Prince Rolox we are bringing some of the most popular and potent Shorthorn blood of the present day to the Polled Shorthorn breed.

COLLYNIE TOURIST

Collynie Tourist, is the acme in Polled Shorthorn production, study his picture, the bull and his breeding, compare him with his sire before deciding what he may be worth as a sire in your herd. His back ground is just right. We can think of no Polled Shorthorn bull rightfully placed above his sire. His dam has always been a top producer. An older brother now in the Martin Corliss herd, Hebron Nebr., is a bull to feel proud of, this, her last calf is easily her best. Collynie Tourist has been used on a few cows. He lost an eye with pink eye.

CORRECT TYPE x

Supreme Ruler. Roan and out of one of our most dependable cows, the dam of Correct Type used so successfully by Erich Thormodsgaard and Collynie Cornerstone sold to H. J. Kidd, Vandura Sask, Canada. Another son Correct Type 2nd., is proving a most successful sire in the Seely Bros. herd, Algona, Iowa. The Foundation cow for this family Countess Duchess was purchased in 1911, she was among the top selling cows that year and proved a good investment. As a family they have carried on more true to type than any others, both in our herd and elsewhere.

DAYBREAK'S IANTHE

Daybreaks Ianthe. Could easily be top female in any herd. She was grand champion at the Nebraska State Fair last fall. She is among the deepest fleshed cows we know of. A granddaughter of Daybreak's Collynie through Daybreak's Consul. We had hoped to sell her with a calf at side but were disappointed in this. She dropped a dark roan heifer calf Dec. 12 by Collynie Compact that was lost with pneumonia. Our plans are to mate her to Collynie Climax and hold her after the sale until safe in calf.

COLLYNIE SWEETHEART

Collynie Sweetheart. Is easily one of the best females to be found anywhere. She is included in the sale not because we want to but feel that we should sell one daughter of Collynie Compact. She sells well along in calf to Prince Rolox. Consider her worth in your herd as a foundation animal, also consider the prospective calf she is carrying. This breeding sparkles with the best there is in both horned and polled blood.

Rosewood Lady 5th. A beautiful roan out of Rosewood Lady 4th who, although now an old cow is a regular producer of top calves. Her 1942 calf, Collynie Seal 2nd, sold to Julius Hanson, Murdock, Minn. a year ago at \$1250.00. Her 1941 Collynie Seal is now doing service at Eldergrave Ranch, Billings, Mont. Last fall he was senior champion at the Montana State Fair, competing with Shorthorns. Her 1940 calf also a bull calf heads the Bailey Bros. herd at Odessa Nebr. Rosewood Lady 5 is of equal merit and can be expected to develop into a most dependable breeding matron. Her sire Collynie Goods was champion bull at the second Congress show and sale.

GRACEFUL LADY

Graceful Lady. In this dark red heifer we have a real sale attraction, do not overlook her, she will surely develop into a high class breeding matron. She was reserve champion at the Missouri Polled Shorthorn show and sale and will sell safe in calf to Prince Rolox.

Blomstrom Polled Shorthorns

COLLYNIE STARDALE x187093

Grandsire

Collynie Stardale x187093—By Collynie Sensation x by King Collynie Jr. x. And now senior stock bull in the herd of The Lovell Corporation, Monticello, Iowa. He is the sire of the Blomstrom herd sire, Gloster Dale, whose get feature the Blomstrom offering in this sale. Collynie Stardale's daughters were the top selling females in the 1941 and 1942 NATIONAL Polled Shorthorn Congress Sales. Photo taken in working condition at 7 years of age.

GLOSTER DALE x1962255

Sire

Gloster Dale is pictured here as a yearling when he headed his class at all of the strong shows in 1939. He was never exhibited following this but has been in active service in the Blomstrom herd ever since. His record as a sire is phenomenal, the 30 sons and daughters in this sale further add to his prestige.

Grandson

Dale's Crown a son of Gloster Dale that topped the 1943 Hultine-Blomstrom sale when he sold to Bert Hansen of Shadybrook Farm, Vernon Center, Minnesota. At Shadybrook this young sire has already carved a niche in "THE GREAT BULL" hall of fame.

DALE'S CROWN x2070995

Stand On Their Record

Fred Blomstrom & Sons offer 30 lots in this sale. All sired by Gloster Dale

1944 was a banner year for Gloster Dale at Valley View Farms. To start with an excellent set of calves arrived early last spring sired by him. Like all of his calf crops these too were uniform dark even colored youngsters of typical Gloster Dale type . . . good headed, thick, meaty and burly.

At the Nebraska State Fair in early September sons and daughters won all the first prizes in the classes for get-of-sire, pair of calves, pair of yearlings, pair of females, bull and female, and pair of bulls and a daughter was junior champion female.

In other breeders hands his sons and daughters also did well in 1944. In our 1943 sale F. T. Brown, Stamford, Nebraska paid \$225.00 for a junior calf, Dale's Seal. In the Omaha sale last February this outstanding bull sold at \$700.00 to J. M. Cobb & Son, Harrington, Washington after a heavy seasons work in the Brown herd. At the Lancaster County Fair held in connection with the Nebraska State Fair, the Grand Champion steer was a son of Gloster Dale shown by Fred Retzlaff, Walton, Nebraska and in the 4-H auction he sold for \$1.04 per pound, netting nearly \$1,000. In our 1943 sale Lou Kennedy and Sons, Lewis, Iowa paid \$345.00 for Flossie's Pride with a heifer calf at foot and remated to Gloster Dale. The heifer calf sold for \$225.00 in the 1944 Omaha sale and the bull calf she was carrying was Grand Champion of the 1944 Iowa State Polled Shorthorn Breeders Show and Sale and sold for \$500.00 to Geo. E. Smith, Keokuk, Iowa.

We are certain that our "ALL GLOSTER DALE" offering this year will meet with your approval.

Dale's Revolution is a nice even roan with lots of weight for age. This is the line of breeding that produced Collynie Dale, the Junior Champion at the last International.

Roan, Fred Blomstrom

Dale's Roan Lady is one of our best young heifers with lots of polled breeding. She is short-coupled, close to the ground and like all the daughters of Gloster Dale she has an excellent head.

Lovely Gloster 5th. A nice flashy roan with red neck and legs. Has plenty of depth and spread. We are keeping a full sister in the herd.

Silver Queen 6th is from a dam that we have always hand-milked. She is a short legged beefy cow, yet gives 6 gallons of milk per day. The daughters of Gloster Dale have all been better milkers than their dams.

Lady Rosewood 26th. A real foundation female of our good Rosewood family. She is a full sister to Dale's Sultan that heads Herb Warner's good herd at Dakota City, Nebr. Sells open.
